Hello Emily,

It looks like my General Manager confirmed 100 is the max set by us and the city. Would you be able to confirm this on your end so I may inform Jenny? Or I think it would be great if you can confirm this with her as it is coming from you officially.

Thank you,

Warm Regards,

Subject: Quick Question

Hello Lili,

Hope you are feeling better! Bahar mentioned to me a few weeks ago that we are not allowed to go past 100 ceremony chairs on Founder's Park area where the Gazebo is or the Bluff Area. Is this true? I looked over the contracts we have and it says 100 max ceremony chairs but I was not sure if it was our policy or if it was the policy of the City of PV. I went ahead and asked Emily, the (Recreation Supervisor) but she also is unaware of this. Would you happen to know if we are allowed to accommodate 200 ceremony chairs at the Founder's Park area by the Gazebo?

Thank you,

Warm Regards,
